Addresses

Professional

Place Cardinal Mercier, 10
1348 Louvain-la-Neuve, BELGIUM
Email: zoe.bollen@uclouvain.be

Private

Avenue des azalées, 29
1030 Schaerbeek, BELGIUM
Email: zoebollen@hotmail.com

Date and place of birth 06/09/1994, Charleroi

Nationality Belgian

Professional background

Oct 2025 – Sep 2026	UCLouvain, Louvain-la-Neuve, Belgium Postdoctoral position in the Stress and Anxiety Research lab at the Institute of Psychology, supervised by Prof. Alexandre Heeren
Oct 2023 – Sep 2025	Universität Bern, Bern, Switzerland Postdoctoral position in the Department of Social Neuroscience and Social Psychology at the Institute of Psychology (80% working time), supervised by Prof. Daria Knoch
Oct 2023 – Sep 2025	University of Basel, Basel, Switzerland Postdoctoral position at the Centre for Psychology of Sustainability and Behaviour Change at the Institute of Psychology (20% working time), supervised by Prof. Ulf Hahnel
June – July 2022	Université Grenoble Alpes, France Scientific stay in the Laboratoire de Psychologie et NeuroCognition (LPNC)
Oct 2018 – Sep 2023	UCLouvain, Louvain-la-Neuve, Belgium PhD in the Laboratory for Experimental Psychopathology at the Institute of Psychology, funded by the Belgian Fund for Scientific Research (FRS-FNRS) and supervised by Prof. Pierre Maurage
Jul 2018 – Aug 2018	UCLouvain, Louvain-la-Neuve, Belgium Research assistant in the Laboratory for Experimental Psychopathology at the Institute of Psychology
Feb 2018 – Jun 2018	UCLouvain, Louvain-la-Neuve, Belgium 500-hour internship in the Numerical Cognition research group at the Institute of Neuroscience
Nov 2017 – Feb 2018	SLV.Global Volunteer work, Colombo, Sri Lanka 3-month volunteer project as mental health care support worker and English teacher in underprivileged areas
Feb 2016 – Jul 2016	Hôpital Léonard de Vinci, Montigny-le-Tilleul, Belgium 500-hour internship in the Clinical Adult Neuropsychology Unit, in practice of diagnostic and rehabilitation programs

Educational background

2018 – 2023	UCLouvain, Louvain-la-Neuve, Belgium PhD degree in psychological sciences funded by the Belgian Fund for Scientific Research (FRS-FNRS). « <i>Testing the nature of the alcohol-related attentional bias in binge drinking and severe alcohol use disorder: an eye-tracking approach</i> » Grade: 94%
2017 – 2018	UCLouvain, Louvain-la-Neuve, Belgium University certificate in psychological sciences

Grade: "Grande Distinction"

2015 – 2017

UCLouvain, Louvain-la-Neuve, Belgium

Master's degree in psychological sciences, specialized in neuropsychology

Master thesis: « *Exploration of the effects of binge drinking on inhibition control and rehabilitation of the deficits by tDCS* »

Grade: "Grande Distinction"

Sept 2016 – Jan 2017

Universidad del Pais Vasco, San Sebastian, Spain

Erasmus mobility stay

2012 – 2015

UCLouvain, Louvain-la-Neuve, Belgium

Bachelor's degree in psychology and educational sciences.

Grade: "Grande Distinction"

Teaching

Sep 2024 – Dec 2024

Department of Psychology, University of Bern, Switzerland Teaching load: 25 hours

« *Method seminar: Eye-tracking methods for psychological research* »

Students evaluation: 5.71/6

Conferences

- March 2026 **Belgian Science for Climate Action Conference (BSCA)** Brussels, Belgium
 « How do we make pro-environmental decisions? Using eye-tracking to trace the processes underlying pro-environmental decision-making » (talk)

June 2025	International Conference on Environmental Psychology (ICEP) Vilnius, Lithuania « <i>How do we make pro-environmental decisions? An eye-tracking study of the role of attitudes and attention in pro-environmental decision-making</i> » (talk)
June 2025	NeuroPsychoEconomics Conference Dublin, Ireland « <i>How do we make pro-environmental decisions? An eye-tracking study of the role of attitudes and attention in pro-environmental decision-making</i> » (talk)
Dec 2024	Annual event of the Belgian College of Neuropsychopharmacology and Biological Psychiatry Online « <i>Exploration of attentional bias in binge drinking and severe alcohol use disorder: An eye-tracking approach</i> » (talk)
Sep 2023	19th European Society for Biomedical Research on Alcoholism (ESBRA) congress Graz, Austria « <i>Stay focused! Modulation of attentional bias by inhibitory control in severe alcohol use disorder</i> » (poster)
Sep 2022	2nd edition of the European Forum Addiction & Société Brussels, Belgium « <i>Discovering and testing new cognitive assessment tools in addiction</i> » (workshop)
July 2022	6th bi-annual European Society for Cognitive and Affective Neuroscience (ESCAN) meeting Vienna, Austria « <i>An eye-tracking exploration of the alcohol-related attentional bias in severe alcohol use disorder: Influence of subjective craving and cognitive load</i> » (talk)
May 2022	17^e colloque du Groupe de Réflexion en Psychopathologie Cognitive (GREPACO) Lausanne, Switzerland « <i>Exploration en eye-tracking du biais attentionnel dans les troubles de l'usage d'alcool : Influence du craving et de la charge cognitive</i> » (talk)
Sep 2021	German Addiction Congress Online « <i>Changes in alcohol consumption during the COVID-19 lockdown</i> » (talk)
May 2021	16^e colloque du Groupe de Réflexion en Psychopathologie Cognitive (GREPACO) Online « <i>Alcohol-related attentional biases in recently detoxified inpatients with severe alcohol use disorder: an eye-tracking approach</i> » (talk)
May 2021	Annual meeting of the Belgian Association of Psychological Sciences (BAPS) Online « <i>Craving is everything: An eye-tracking exploration of attentional bias in binge drinking</i> » (poster)
Nov 2019	VITACOG workshop Louvain-la-Neuve, Belgium « <i>Craving is everything: An eye-tracking exploration of attentional bias in binge drinking</i> » (talk)
Sep 2019	17th European Society for Biomedical Research on Alcoholism (ESBRA) congress Lille, France « <i>Craving is everything: An eye-tracking exploration of attentional bias in binge drinking</i> » (poster)
June 2019	15^e colloque du Groupe de Réflexion en Psychopathologie Cognitive (GREPACO) Reims, France « <i>Craving is everything: An eye-tracking exploration of attentional bias in binge drinking</i> » (poster)

Grants, Scholarships & Awards

2026-2029	FSR Incoming Post-doc Fellowship Three years funding a post-doctoral project at UCLouvain
June 2025	NeuroPsychoEconomics Conference Award for best paper
Feb 2025	Faculty of Philosophy and Human Sciences, University of Bern Recognition Prize for "Excellence in Teaching"
Dec 2024	Belgian College of Neuropsychopharmacology and Biological Psychiatry's Prize for Belgium's Got Talent Award for best PhD thesis
May 2021	REUNIRA young researchers' prize

Award for the best presentation during the GREPACO meeting

2019-2023 **Belgian National Fund for Scientific Research (FRS-FNRS)**
Four years funding for a PhD project in Belgium

Mentorships

Graduate students in UCLouvain, Belgium

Supervision of the Master's thesis of Gaspard Bechet (2018-2019), Laëtitia Pirnay (2018-2020), Laura Vander Motte (2019-2021), Sadaf Najimi (2021-2022), Lucas Degives (2025-2026), Léa Droin-Bourdonnay (2025-2026), Baptiste Barvaux (2026-2027) and Léa Walraet (2026-2027).

Graduate students in University of Bern, Switzerland

Supervision of the Master's thesis of Patricia Jenzer (2024-2025), Mirjam Matile (2024-2025) and David Schlegel (2024-2025)

Other scientific activities

Congress organization

Member of the organization committee of the "18^e colloque du Groupe de Réflexion en Psychopathologie Cognitive (GREPACO)", Louvain-la-Neuve, Belgium, 22-23 May 2023

Reviewing process for *Journal of Environmental Psychology*, *Cognitive Processing*, *Addictive Behaviors*, *Journal of Anxiety Disorders*, *Alcohol Clinical and Experimental Research*, *Drug and Alcohol Dependence Reports* and *Alcohol and Alcoholism* journals.

Skills

Language	French (C2), English (C1), Spanish (A2), Deutch (A2), German (A1)
Informatics	R, SPSS, Opensesame, Qualtrics, LimeSurvey, EyeLink programs (DataViewer, ExperimentBuilder), Tobii Pro Lab, Matlab, MouselabWEB, Office programs
Techniques	Eye-tracking (EyeLink, Tobii Spark, Tobii Glasses), Mouse-tracking, transcranial direct current stimulation (tDCS) and electroencephalogram (EEG)
Others	European first aid certificate
